

## \$315,000 RANCH SALE REPORTED

McGregor Sells Lobo Properties to Syndicate of Texas Cattlemen.

J. D. McGregor, formerly of Lobo, Tex., an executive member of the Panhandle & Southwestern Stockmen's association, sold his ranch at Lobo, a short time ago and moved with his family to El Paso. The ranch, consisting of 60,000 acres of well improved land and 1200 head of cattle, was purchased by J. T. Evans, of San Antonio, Tex., and J. M. West, of Houston, Texas, who intend moving 2500 additional head there from their own ranch at Marfa and from the Montague ranch near Barnhart.

**Largest Deal in Years.**  
The deal involved \$315,000, of which \$15,000 was paid for the cattle. It is said to be about the largest transaction of its kind made in this region for a number of years, according to W. J. Anonetti, secretary of the Panhandle & Southwestern Stockmen's association.

Mr. McGregor is going to remain a resident of El Paso with the intention of reentering the cattle business on some ranch close by. He has a son in this city, H. D. McGregor, who is a member of the firm of McGregor & Henger, Mills building.

### SAYS THEFTS CONTINUE.

Police captain S. H. Vester reported that there are still many small thefts being perpetrated by boys in the northeastern part of the city, especially in the vicinity of Five Points, Highland Park and Manhattan from the station to those points and generally by the time his men arrive there, in pursuit to a call, the burglars have gone, he said. In view of this captain Vester suggests that residents hold the youngsters until his men arrive.

## REJOICES OVER END OF TROUBLE

Mrs. McKenzie tells how she had suffered ever since childhood.

"I am thirty-four pounds heavier than I was when I began taking Tanlac and I just can't express the joy I feel over my wonderful recovery," said Mrs. Emily McKenzie, 604 East Second street, Fort Worth, Texas.

"Ever since I was a child I had been afflicted with catarrh," she continued. "About two years ago my stomach began to get out of order and everything I ate would sour and form and that burned and distressed me until I hardly got any sleep or rest day or night. My kidneys worried me constantly and my back hurt until I couldn't straighten up without it hurting me until I would cry out loud with pain. My feet and ankles were swollen and gave me a lot of trouble and I was in a mighty bad shape every way."

"My friends recommended Tanlac to me and I began to use it and I improved since the very start. My stomach is entirely relieved of all that uneasy upset condition and I can eat anything I want without trouble. The kidney disorders have disappeared, the catarrh does not bother me like it did and I am feeling so strong that I just want to tell everybody about my recovery and how much Tanlac has done for me."

Tanlac is sold by Kelly & Ballard, Inc., and People's Drug Store—Adv.

## "HELPED ME RIGHT AWAY"

Kentucky Lady Says Two Bottles of Cardui Surprised Her by Acting so Quickly.

Hellert, Ky.—Mrs. Sarah M. Hill, of this place, writes: "I can't praise Cardui too much, for it is a wonderful medicine for women."

Eight years ago, I began to feel not quite so well as usual. . . . I was not able to do anything. It seemed like I was dwindling away, and kept getting more puny every day. I was weak and pale and could not stand on my feet long. . . . I had no doctor but I knew by my feelings that I had womanly weakness."

After I decided to try Cardui, I bought one bottle. It seemed as if the very first few doses began to help me. I was surprised that anything could begin to act so quickly. But it helped me right away. I know it did because I began immediately to get strong."

After I finished that first bottle, I bought another. When I had finished that second bottle, I was all right. I did not need a third bottle. I kept right on getting stronger until I was as strong as ever, and I have kept so. . . . Now I am as well and as strong and as able to do my work as I ever was in my life."

Try Cardui today.—Adv.

### WHO NEEDS THIS MEDICINE?

Only One Way to Know. Declares Writer.

Serks to Educate Public the Value of Good Health.

Recommends Tonic Under Certain Conditions.

A well-known physician is quoted as saying that "Careless habits, evil habits and ignorant habits result in ailments whenever an epidemic disease appears in a community."

It should be well known that excesses and indulgences of whatever kind, bring about a condition of low vitality. To have low vitality is to be partially sick; to remain so, gives free entry to fatal disease germs. It is duty and common sense to remove low vitality.

Do you catch cold too easily? Are you weak, irritable, nervous and worn out before the day is half over? Have you aches and pains of unknown origin? Are you too thin and seemingly "bloodless"? Do you have tremors and unsteady nerves? Do you lack energy and ambition? Are you despondent without reason? Is your digestion faulty and your appetite fickle? Do you suffer with dreadful pain in the back of head and neck? Do you have shooting pains like neuralgia and rheumatism?

If any or all of these symptoms are yours then a tonic medicine like Cadomene Tablets should bring relief. Health and strength if taken regularly with meals. Three grain Cadomene Tablets have often been called the "miracle medicine" because it is so quickly effective in restoring strength, rugged, happy vitality.

Sold in sealed tubes by druggists everywhere and each package is guaranteed to please the buyer or money refunded.—Adv.

Women Tell How They Made Event One of Great Happiness.

In every part of the land there are women who tell how, through the application of Mother's Friend, they entirely avoided the suffering usually incident to motherhood. They relate to us uncertain terms how from its use the days were made bright and cheerful and the babies calm and restful, how the crisis was passed without the usual suffering experienced when nature is unaided, and how they preserved their health and energy to devote it to the rearing of their children and to the things life holds for them.

Mother's Friend is a most penetrating remedy, prepared especially for expectant mothers from a formula of a noted physician. Strain upon the Hicaments is avoided, and instead of a period of discomfort and constant dread it is a season of calm repose. The hours at the bedside are less tedious. Mother's Friend enables the mother to retain her natural grace, and her skin is not cracked and does not become hard or disfigured.

Write to the Broadfield Regulator Company, Dept. L, Lamar Building, Atlanta, Georgia, for their Mother's Friend Book, and obtain a bottle of Mother's Friend from the druggist today.—Adv.

**Catarrhal Deafness and Head Noises**

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmit (Double Strength). Take this home remedy and add to it 1 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dizziness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and these must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.—Adv.

## Zabriskie Faces Charge Of Milking Another Man's Cow

"As soon as I can find out the name of the owner of a certain cow in the lower valley, I'm going to file charges before a kangaroo court composed of sheriff's deputies, against deputy B. J. Zabriskie, alleging theft under one gallon," announced deputy J. C. Stansell Wednesday afternoon.

Deputy Zabriskie has committed a "flagrant violation of the law, if I am informed correctly," continued deputy Stansell. "When I relate the whole story, you will probably say that he has been punished sufficiently already, but the law must be vindicated."

"I accuse that a few days ago Zabriskie was on an automobile trip with some relatives and friends in the lower valley. They were out long enough to get hungry, but when they started to eat, some one in the crowd, Zabriskie himself, I suppose, expressed a burning desire for some milk."

"Now there was no milk in the lunch basket, but Zabriskie stole a cow fastened to a chain. He caught the horse and started to milk her. She dragged him about many yards, as he was holding to the end of the chain. Finally, he quieted her down and proceeded to milk her. He drew only one cup, however, that being all he desired."

"In view of the facts in the case, I shall recommend that a suspended sentence be imposed."

## Native Austrian Cause Of Grief Of Emperor

Somewhere in France, Nov. 8.—Here's a little more grief for emperor Karl of Austria.

One of the first of the United States marines to be cited for bravery in action in France was Sgt. Louis Cukela, a former cook from Minneapolis, Minn. And why should this bring grief to emperor Karl? Simply because of the fact that the official record of Sgt. Cukela shows that he was born May 1, 1893, in Sebenes, Dalmatia, Austria!
